

For those of you who are not sure who to donate your 10<sup>th</sup> Mountain Veterans memorabilia to, I hope you will consider the 10<sup>th</sup> Mountain Division Resource Center or other museums. [Click on this link for a comprehensive Donation Guide put together by Keli Schmid of the Resource Center.](#) So, no matter where you live there are a number of places to donate your photos, letters, and other artifacts.

We cannot preserve them the way the library and museums can. Unfortunately, we cannot be sure that our descendants will hold them as dear as we do and may never make them a part of history. So, please, if you haven't already, consider sitting down and going through your Vet's 10<sup>th</sup> Mountain items and donate now!

---
